

FREE EVENT - 6 Jul 2010 at Gamston Community Hall - PREVENTING BOGUS CALLERS 1215 - 1600

I would like to invite you to the above event. As you may know Operation Liberal is the nationwide campaign to reduce distraction burglary. In the South Notts Police Div's policing area we have seen 50 such offences reported in the past 12 months, whilst this is an extremely low rate of offences one victim of this type of crime is one too many. The low rate of reported offences would indicate that most people are aware of the precautions they need to take to avoid becoming a victim of this type of crime. In order to keep the rate of offending low and hopefully decrease it further it is intended to hold an awareness day on the 6 Jul 2010 at Gamston Community Hall in the West Bridgford area.

It is specifically aimed at raising awareness amongst people of Bogus Callers and Rogue Traders who tend to target the elderly or vulnerable.

Events like this are being run throughout the County. There is a free buffet to which those attending are invited. Numbers are limited to 100 delegates. The Presentation will involve, advice on how to avoid becoming a victim. What steps to take if a Bogus Caller/Rogue Trader should call on you and a short drama production featuring a scenario involving a Bogus Caller and potential victim.

The Presentation is free to attend. To reserve your place contact
