

## BINGHAM NEIGHBOURHOOD WATCH

### Discounts, discounts, discounts!

Superb news! Bingham NW, in partnership with Bingham-based company SURE24 Ltd., has re-launched its discount scheme available to all members of Bingham NW. Thanks to the support and generosity of SURE24, we are able to offer large discounts of up to 60 per cent on a range of personal safety and security items. Any of these items will enhance either your personal safety or home security and reduce your chances of becoming a victim.

The 4 items currently available under the scheme are as follows:

Portable shed  
alarm  
**£6**  
SG550RF

Personal  
attack alarm  
**£4**  
SG390BK

Timer switch  
**£2**  
SGTE-10

Window  
guard alarm  
**£4**  
SGGB-BX

Later, the scheme may be extended to include further devices.

The procedure for ordering is as follows:

1. Contact your co-ordinator to place your order\*
2. Your co-ordinator will order your item(s) from a central co-ordinator who manages the scheme
3. Once your goods are available, your co-ordinator will contact you to arrange delivery to you (or collection by you)
4. The hand-over of the item(s) is strictly cash at that point – and the exact amount must be paid over to your co-ordinator.

\*If you need the contact details of your co-ordinator, please ring **876 635**.

We hope very much that members will take advantage of this excellent scheme.
